#### Happy Anniversary

*Fathers and mothers may study their own character in their children. They may often read humiliating lessons as they see their own imperfections reproduced in their sons and daughters. While seeking to repress and correct in their children hereditary tendencies to evil, parents should call to their aid double patience, perseverance, and love. When a child reveals the wrong traits which it has inherited from its parents, shall they storm over this reproduction of their own defects? No, no! Let parents keep a careful watch over themselves, guarding against all coarseness and roughness, lest these defects be seen once more in their children. {AH 174.1}*

#### THOUGHT FOR THE WEEK

In the work of redemption, all heaven is constantly employed. Angels are actively engaged in executing God's plans, to bring men back from their rebellion to reconciliation with him. With intense earnestness they are co-operating with God to bring to man moral efficiency, that, in and through Christ, he may be more than conqueror! ...

All who are partakers of this great salvation wrought out by Jesus Christ are under obligation to work as laborers together with God. In the heavenly courts the roll is called, on which every name is registered, and the heavenly agencies respond to the call. The service given by every human being upon earth is there recorded. If any are negligent, it is recorded; if diligent, the same is reported; if idlers, the fact stands against their names. In all the great mass of humanity, not one is lost sight of. Then let every one be ready to answer the call, saying, "Here, Lord, ready for action."

The world has claims upon you. If you fail to shine as lights...some will rise in the Judgment, and charge upon you the blood of their souls. {RH Aug. 16, 1898}
